The Dengue Fever Awareness Campaign

Dear Big Island Residents Business Owners and Visitors:

Based on recent events the Dengue Fever disease outbreak we have organized a community-based awareness program.

We are a group of concerned citizens wishing to rid the island of the Dengue Fever disease.

We are planning to set up Dengue Fever Awareness information tables around The Big Island on or near Highway 11.

Our goal is through one-on-one distribution of information to people we can help end this disease.

The Plan:

1. Information Tables will be set up on or near Highway 11.
   These tables will be located near and around high traffic areas.

2. We will distribute information to the residents and visitors on how to remove standing water around their living areas.

3. There will be a QR Code at each station. People with smart phones can scan and share the information at DengueFeverUpdate.Com - They can also take a photo of the QR Code and share it.

4. Team Captains - We will need Team Captains for each area of The Big Island. Duties will include: Interviewing potential volunteers, organizing the volunteer schedule, obtaining their work sheets, speaking with businesses personal regarding setup. Contact Us for Details - (808) 742-8853 - Info@DengueFeverUpdate.Com

5. Shifts - There will be two shifts for volunteers
   First Shift: 8 am to Noon
   Second Shift: Noon to 4 PM

Days - 7 Days a Week - This should fit into many different schedules.

Number of Volunteers at Each Station: 2 to 4
6. Make people aware of our website and social media.

We will ask people to use the hash tag #DengueFeverUpdate in their social media posts.

(Go to Google and type #DengueFeverUpdate to see how the tag brings up the website links for DengueFeverUpdate.com)

Dengue Fever Awareness Campaign - Volunteer Sign Up Form
